Welcome to 7ACT

7ACT provides English language teaching jobs in Japan for qualified individuals. We specialize in one-on-one lessons and sometimes also have group teaching opportunities.

7ACT is currently recruiting experienced NATIVE English instructors to teach part-time on weekday evenings or weekends at their home or a cafe for 3,000 yen per hour.

Successful applicants must be NATIVE English speakers, and have at least 6 months teaching experience in Japan. A valid work visa (Student, SOFA, and Tourist Visas are no longer accepted) and 4-year university degree are required.

7ACT is designed to be a supplement to a regular income rather than a substitute for one, and is perfect for instructors who are seeking one to ten students per week.

Thank you for your interest in 7ACT!
